The Survey & Settlement reports have matters for govt orders & have to be printed sometime or other & I think sanction may be issued generally. It is seem undesirable to open such matters to private Firms.

G.O. No. 28-8-15
No. 3

To

V. R. Thyagaraja Iyer, Esqr. M. A.,
Secretary to the Government of
H. H. the Maharaja of Mysore,
Revenue Department.

Sir,

With reference to G. O. NO. G.13906-56 - G.P.24-12-11 dated 11-6-1915 issuing instructions for regulating printing work in the Government Press, I have the honor to state that the Superintendent, Government Press has, in accordance with para 3 of the above order, intimated to me in his letter NO. 281 dated 22-7-1915 that the printing work executed in respect to this Department will be confined only to the departmental forms, and that all other work should require the sanction of Government. But while passing orders on the Revision Settlement Report of the Channagiri Taluk, Government directed the Survey Superintendent in para 14 of their order NO: R.4299-310 - L.S.3-06-2 dated 29th October 1906 to forward advance copies of the printed preliminary settlement reports both to Government and to the Revenue Commissioner Revision Settlement Reports have accordingly been hitherto printed at the Government Press, and six copies are being sent to Government, one to the Revenue Commissioner and one to the Deputy Commissioner. As the making of so many copies either in manuscript or with the typewriter would

involve

involve delay and an indirect waste of money that cannot occur in the same degree if the reports are printed as heretofore, I request that this class of work may be included in the printing work of the Government Press.

I have the honor to be,

Sir,

Your most obedient servant,

PVK.
